Dear Mohsen:

As Assistant Vice Chancellor of Student Life, I would like to congratulate you on being nominated for the Outstanding Graduate Student Award. The leadership, talent, and motivation that you have directed toward your studies and the student experience at UC San Diego is impressive.

The Outstanding Graduate Student Award honors students who have earned the admiration of the UC San Diego community for their dedicated leadership and service in improving student life and the university. I invite you to stay connected with UC San Diego as you transition from a remarkable student leader to a remarkable alumni leader.

Once again, congratulations on being nominated and being considered for this award.

Sincerely,

Gary Ratcliff
